

UTAH WASTEWATER OPERATOR CERTIFICATION COUNCIL

CERTIFICATE BY RECIPROCITY APPLICATION INFORMATION

RECIPROCITY CRITERIA

1. Must hold a valid wastewater operator license or certificate from another state/province.
2. Application may be for a comparable type and grade certification as the current certificate/license, but not for a higher grade.
3. Must be employed in Utah and provide proof of such employment at time of application; otherwise, a letter of intent to issue a certificate will be provided which may be submitted to the certification council along with proof of employment.
4. **\$20.00** processing fee must accompany application.
5. Include a copy of current valid certificate and proof of any education, CEUs, training, etc. you wish to have considered towards a reciprocity certificate.
6. Complete the application in its entirety specifying "Reciprocity" at the top; incomplete applications will be returned. Be specific and detailed in the information you provide. Restricted/unrestricted status and other decisions concerning your certification are based on your responses.
7. Submit the signed completed application form and reciprocity fee (check made payable to the Division of Water Quality).
